

CAMBRIDGE MASK CO.

SCALE 1:1

STEPS:

- 1 Cut the mask simulator out from this sheet
- 2 Fold along the center line, printing facing out
- 3 Join both sides of the nose and chin edges together with tape

REMEMBER!

- This must be printed at 100%, not scaled, or the dimensions will be wrong. Many home printers will scale automatically to 96%, please change to 100%.
- A4 printer paper is perfect.
